<h3>About Ryers and Why to Come and Support</h3>

<p>

Ryers is a horse farm that gives <q>a new life for rescued and retired horses</q>. They take in aged, abused or injured horses and help them to live out the rest of their days outside relaxing. While Ryers takes privately owned horses they also take in older horses from the ASPCA and and LAPS (Large Animal Protection Society) to ensure they are not sent to slaughter or auction. All animals have needs and big animals especially have bigger and more costly needs which is why Ryers hosts events like this one. They also accept donations as well and I would encourage anyone to donate. By coming to this event, families with a variety of ages are able to come and have fun while supporting a fantastic cause!
